- When assessment is 1 – 3 the report should be accompanied by fuller details giving the nature of the conducts, the means of those so assessed and the steps taken to draw attention of the Captain and Team Manager to such conduct.

## REMARKS:

The start of the game is delayed as there was a confusion over player added incorrectly in the team squad for Tanzo Tech Thunders. It was communicate to the umpire that <del>Raghavender Reddy Buyani name was not added by mistake and Prabhu Kothuri is not in the playing XI.</del> Prabhu Kothuri has fielded as a substitute and did not bat. Tanzo Tech Thunders team had rotated the fielder by keeping Prabhu Kothuri as a substitute fielder for any players who went off the field.
But later verifying the scorecard once published, both Raghavendra Reddy Buyani and Prabhu Kothuri were in the team squad. One of the player might have played under someone. Please verify with the photo from the team.
