Rule Changes

- ❑ All the rules from ACL main league will apply with a few notable exceptions and additions.
 - ❑ Team uniform rule is relaxed but wear proper sports attire (no shorts and slippers)
 - ❑ Significant Rule Changes:
 - ❑ Use of super-sub
 - ❑ Super over in league stage
 - ❑ Duckworth Lewis Stern method (DLS) method for rain affected matches
 - ❑ Washout rule
 - ❑ Player eligibility
-

Super Sub

- ❑ Teams can utilize a super-sub during a game.
- ❑ Playing 11/9 and super-sub should be named at the start of the match
- ❑ A super-sub can bowl, bat or field during the course of the match
- ❑ The super-sub (and the playing 11/9) have to be at the ground according to the rules mentioned in the rule book.
- ❑ Late joining player must be at the ground before the start of 6th over (F15) and 8th over (T20) and umpires should be _____informed upon arrival.

Super Over

- ❑ All tied matches will be decided by a super over
- ❑ This applies to league matches and playoffs
- ❑ Please refer to the ACL master rule book for further information

Duckworth Lewis Stern (DLS)

- ❑ ACL will utilize the DLS method for calculating the target score in rain affected matches - **only for T20 league** for now.
 - ❑ This is due to a restriction in the DLS app which always considers 11-a-side (10 wickets) as a full inning.
- ❑ A common DLS app will be used for this purpose
 - ❑ Duckworth-Lewis Calculator
 - ❑ Available for Apple and Google/Android devices

Washout Rule

- ❑ The rain washout rule allows for rescheduling for all matches that are washed out without a ball being bowled.
 - ❑ Since the super bash is a small tournament, we will try to make sure teams get to play all their scheduled matches
 - ❑ ACL will reschedule washed out matches in the coming weeks
 - ❑ These matches will be reduced over games (min. 8 overs for F15 and 10 overs for T20) to accommodate all remaining games
 - ❑ Teams should be ready to play double headers on such rescheduled weekends (Sat and Sun), during league stage.
-

Player Eligibility

- ❑ All players should be registered on Friday before any matches played
- ❑ Player eligibility will be staggered to accommodate for the fewer number of matches played in Super Bash
- ❑ For a player to be eligible to play in the first round of playoffs (qualifiers & pre-quarter finals) they should have played at least one match in the round robin league matches
- ❑ For a player to be eligible to play in the final 3 rounds of playoffs (qtrs., semis and finals) they should have played at least 2 matches in the prior rounds.
 - ❑ This could mean 2 matches in the league phase,
 - _____ or
 - ❑ One match in the league phase and once in the qualifiers/pre-quarters
